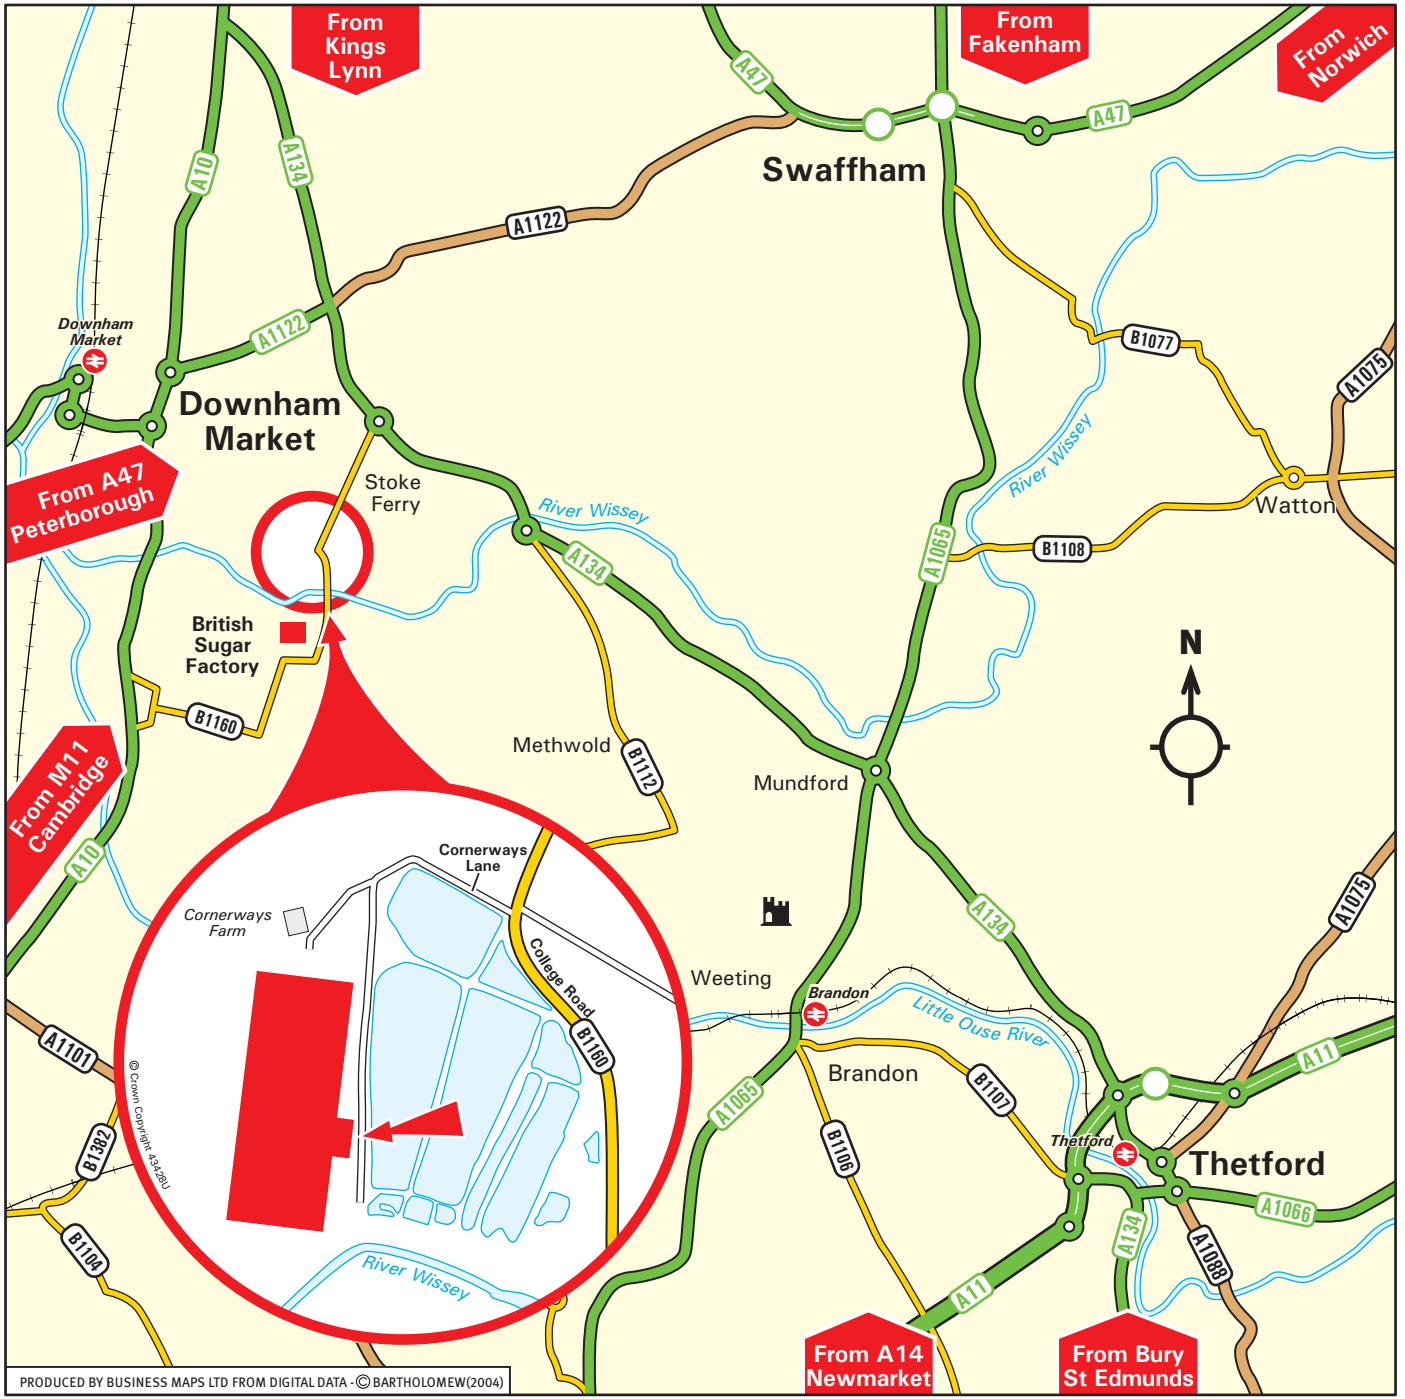
General
Cornerways Nursery is situated adjacent to the British Sugar factory at Wissington in West Norfolk. The Nursery has it's own entrance & is not visible from the road.
Wissington does not appear on most road maps, but is to the south east of Downham Market where the river Wissey crosses the B1160.

From the South – A10
Leave the A10 in the village of SOUTHERY, initially following signs for Wissington & Feltwell. When out of the village take a left turn signed WEREHAM. This is the B1160.
Continue past the sugar factory & over the river. This leads to two sharp bends first to the left then right. 20yds after the second bend is the entrance to Cornerways Lane on the left.

From the North - A134
Leave the A134 at the Wereham roundabout – signposted WISSINGTON , B1160. The road sweeps to the left then right heading towards the sugar factory. The road becomes straight crossing Wereham Fen. Ahead is a sharp left hand bend at the end of the straight. The entrance to Cornerways Lane is on the right 20 yds before the bend


From Cornerways Lane
Follow the chalk track for 500yds (there are many signs for TOPSOIL) until reaching a heavy plant crossing. Cross this and bear left. Continue straight on the tree lined track for a further 500yds. The trees open out to the nursery & car park on the right.
